RECEPTION AT THE BASEL TOWN HALL

This morning, the government of Basel held a reception for the organisers of the LONGINES CSI BASEL in honour of its 10th anniversary. In a humorous speech, Senior Civil Servant Dr. Conradin Cramer thanked the founders Dr. h.c. Thomas Straumann and Willy Bürgin for their initiative and the years of commitment in favour of the location Basel. A large delegation of professional equestrians as well as representatives of the most important sponsors also took part in the festivities. The reception shows the appreciation for the LONGINES CSI BASEL and is a sign for its importance for the region of Basel.
