Professor Björn von Salis passed away

Professor Björn von Salis passed away unexpected at the age of 83 years during a hospital stay. The international well known veterinary from Mammern received his doctorate 1961 at the horse clinic Berne and was specialized in horse surgery. In the early 60-ies of the past century von Salis founded the first privat horse clinic in Switzerland: in Uesslingen in the canton Thurgau. For his lifetime achievement the professor for horse orthopedy received the Award of Honour in 2013 at the Longines CSI Basel.
